

Tell us what you really think!

(about transportation problems, solutions and funding options)

You, your coworkers, friends and family are invited to attend the Transportation Funding Task Force workshops convened by Fred Keeley, former State Assemblymember and current County Treasurer, to gather input about developing a package of new local transportation projects and funding that has a wide base of support throughout Santa Cruz County. The Workbook and Participation Guides will also be available at:

www.tftaskforce.org
